Scavs

Philip Webb

A spectacular science-fiction debut for ages 11+

In a ruined future, an extraordinary artefact from the past lies buried. Everyone wants it. But why? What is it? And how can it save them all?

- Each book has its own unique code linking it to a clue-finder's website – and the chance to be named in the next story
- Scavs website and character blog
- Sequel coming in 2012

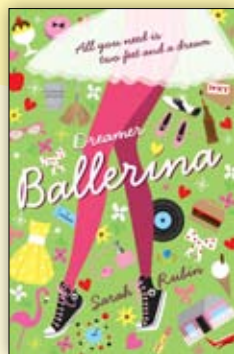

Dreamer Ballerina

Sarah Rubin

All you need is two feet and a dream...

Looking at her ratty-tatty, used-to-be-white, too-big high-tops, and then at her skinny chicken legs poking up from the ground, you'd never think that Casey Quinn could ever be a ballerina. But Casey has a dream to dance in New York - and no-one is going to stop her.

A feel-good story to rival *Billy Elliot*.

Wintergirls

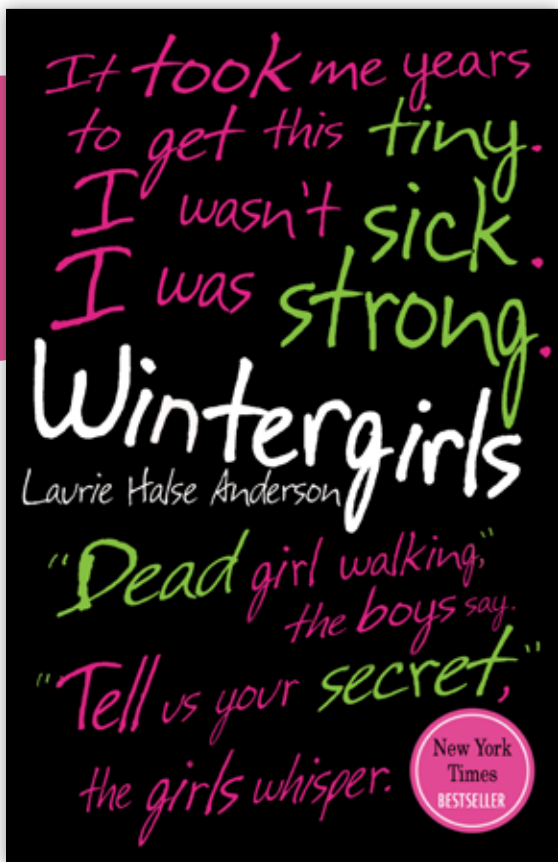

Laurie Halse Anderson

Cassie's body was found in a motel room.

She called Lia 33 times before she died. Lia never picked up.

Now the voice inside Lia's head tells her to keep control. Stay strong. Lose more. Weigh less. Thin, thinner, thinnest. Maybe she can make herself disappear altogether.

Beautifully written in a voice that rings perfectly true, *Wintergirls* illuminates a terrifying and increasingly prevalent illness.
